## **REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION**

### **TO THE BOARD OF DIRECTORS OF AL-ARABIYA REAL ESTATE COMPANY K.S.C.P.**

#### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Al-Arabiya Real Estate Company K.S.C.P. (the "Parent Company") and its subsidiaries (collectively the "Group") as at 30 June 2022, and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the six-month period then ended. The Parent Company's management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on the interim financial information based on our review.

#### *Scope of Review*

Except as explained in the following paragraph, we conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### *Basis for Qualified Conclusion*

- ▶ Trade and other receivables, which are carried in the interim condensed consolidated statement of financial position at KD 8,774,963 (31 December 2021: KD 9,315,759; 31 March 2021: KD 9,332,685), includes a compensation claim due to the Group with a carrying amount of KD 7,039,955 (31 December 2021: KD 7,039,955; 31 March 2021: KD 7,039,955). We were unable to complete our review of the compensation claim as we could not verify management's assertion that this amount was recoverable. Had we been able to complete our review of the compensation claim, matters might have come to our attention indicating that adjustments might be necessary to the interim financial information. Our audit opinion for the year ended 31 December 2021 and our review conclusion for the period ended 31 March 2021 was also modified in respect of this matter.
- ▶ Based on information provided to us by management, the Group has excluded from the investment in Sharm Dreams for Real Estate Development Company ("the associate"), the Group's share of the associate's earnings from 1 January 2019 to the date of classification of the investment as an asset classified as held for sale, that we believe should be included to conform with International Financial Reporting Standards ("IFRSs"). We were unable to determine the adjustments necessary to this amount. Our audit opinion for the year ended 31 December 2021 and our review conclusion for the period ended 31 March 2021 was also modified in respect of this matter.
- ▶ Investment properties, which are carried in the interim condensed consolidated statement of financial position at KD 117,061,558 as at 31 March 2021, includes an investment property with a carrying amount of KD 23,597,000 as at 31 March 2021 relating to properties located in the state of Kuwait. We were unable to complete our review of the aforementioned investment property as of 31 March 2021 because we could not verify the underlying data, method and assumptions used by the valuer in the determination of the fair value of this investment property. Had we been able to complete our review of this investment property, matters might have come to our attention indicating that adjustments might be necessary to the interim financial information for the period ended 31 March 2021. Our review conclusion on the financial information for the period ended March 31, 2021 was modified accordingly. Our conclusion on the current period's financial information is also modified because of the possible effect of this matter on the comparability of the current period's figures and the corresponding figures.
- ▶ Based on information provided by the Management, the Group has excluded from loan and bank facilities as at 31 March 2021 interest arising from a court verdict, which constitutes a departure from IFRSs. The Groups records indicate that had management restated the comparative information for certain finance costs incurred from 1 March 2012 to 31 March 2021, loans and bank facilities as at 31 March 2021 would have been increased by KD 1,180,327, total equity as of 31 March 2021 would have been reduced by KD 1,180,327, finance costs for the period ended 31 March 2021 would have been increased by KD 31,913 and the net loss for the period ended 31 March 2021 would have been increased by KD 31,913. Our review conclusion on the financial information for the period ended March 31, 2021 was modified accordingly. Our conclusion on the current period's financial information is also modified because of the effect of this matter on the comparability of the current period's figures and the corresponding figures.

## REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS AL-ARABIYA REAL ESTATE COMPANY K.S.C.P. (CONTINUED)

### *Qualified Conclusion*

Based on our review, with the exception of the matters described in the preceding paragraph and except for the adjustments to the interim financial information that we might have become aware of had it not been for the situations described above, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 Interim Financial Reporting.

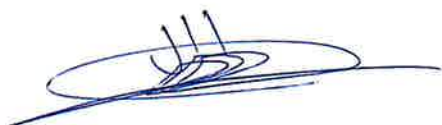

### *Material Uncertainty Related to Going Concern*

We draw attention to Note 2 to the interim condensed consolidated financial information, which indicates that the Group's current liabilities exceeded its current assets by KD 32,704,024. As stated in note 2, this condition, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

### **Report on Other Legal and Regulatory Requirements**

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies' Law No. 1 of 2016, as amended, and its Executive Regulation, as amended, nor of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, during the six-month period ended 30 June 2022, except for the matters described in the Basis of Qualified conclusion section of our report, that might have had a material effect on the business of the Parent Company or on its financial position, except that the Parent Company has directly invested in shares of certain companies, whose objectives are different from that of the Parent Company (Note 6).

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No 7 of 2010 concerning the Capital Markets Authority and its related regulations during the six-month period ended 30 June 2022 except for the matters described in the Basis for Qualified conclusion section of our report, that might have had a material effect on the business of the Parent Company or on its financial position.

**Notes to the Interim Condensed Consolidated Financial Information for the six months ended 30 June 2022**

**(Unaudited)**

*(All amounts are in Kuwaiti Dinar unless otherwise stated)*

**1. Company's incorporations**

Al-Arabiya Real Estate Company K.S.C.P. the "Parent Company" was established in the State of Kuwait on 21 September 1976 and is listed in Boursa Kuwait for securities. The head office of the Parent Company is located at Sharq, Ahmed Al-Jaber St., Emad Commercial Center, State of Kuwait.

The main objectives of the Parent Company are:

- ▶ Carrying out various real estate commercial activities including procurement, sale of investments in lands and properties, managing properties for others, undertaking contracting activities and trading in all materials related to construction or required for it.
- ▶ Setting up commercial markets, tourism, sport and entertainment facilities.
- ▶ Constructing, acquiring and managing hotels and its tourism activities.
- ▶ Managing real estate portfolios for the Parent Company only and investment in the shares and projects of other companies whose activities are similar to the Parent Company's activities, establish and manage real estate investment funds only, and use the available financial surplus of the Parent Company for investment in financial and real estate portfolios managed by specialized companies.

The Parent Company is a subsidiary of Bukhamseen Group Holding Company K.S.C. (Holding) (the "Ultimate Parent Company").

This interim condensed consolidated financial information includes the financial information of the Parent Company and its wholly owned subsidiaries and Hotels (together referred to as "the Group") as follows:

	Incorporation country	Activity	Legal entity	30 June 2022	Ownership (%) 31 December 2021	30 June 2021
Holiday Inn Hotel	Kuwait	Services	Hotel	100	100	100
AREC Properties Company Limited	UAE	Real estate	L.L.C.	100	100	100

The interim condensed consolidated financial information for the six-month ended 30 June 2022 was authorized for issuance by the Board of Directors on 10 August 2022.

**2. GOING CONCERN BASIS OF ACCOUNTING**

The Group has reported profit of KD 8,779 for the six months period ended 30 June 2022 (30 June 2021: loss of KD 772,479) and as at that date accumulated losses of KD 14,210,213 (31 December 2021: KD 14,218,992) with current liabilities exceed current assets by KD 32,704,024 (31 December 2021: KD 33,087,445 and 30 June 2021: 10,222,924).

Management acknowledges that uncertainty remains over the Group's ability to meet its funding requirements and to refinance or repay its banking facilities as they fall due. However, management has a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future and that loan repayments will be met out of operating cash flows or by sale of investment properties at their market values. Further, the management of the Group started negotiations with credit banks to reschedule short-term installments. The main shareholders of the Parent Company continue to provide and arrange financial support (as necessary) to enable the Group to meet its financial obligations as they fall due.

The interim condensed consolidated financial information has been prepared on a going concern basis, which assumes that the Group will be able to restructure its debt with the banks and meet the mandatory repayment terms of the banking facilities as disclosed in Note 11 to the interim condensed consolidated financial information. If for any reason the Group is unable to continue as a going concern, then this could have an impact on the Group's ability to realize its assets and discharge its liabilities in the normal course of business at the amounts stated in the interim condensed consolidated financial information but the Group is confident of the successful outcome of negotiations with the banks.

Notes to the Interim Condensed Consolidated Financial Information for the six months ended 30 June 2022

(Unaudited)

(All amounts are in Kuwaiti Dinar unless otherwise stated)

Notwithstanding the above facts, the interim condensed consolidated financial information have been prepared on a going concern basis as the Parent Company's Board of Directors, representing the major shareholders, are confident to meet the Group's liabilities as and when they become due. The interim condensed consolidated financial information do not include any adjustments relating to the recoverability and classification of recorded assets amounts and classification of liabilities that may be necessary if the Group is unable to continue as a going concern. These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

**3. Basis of preparation and significant accounting policies**

**3.1 Basis of preparation**

This interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard No. (34), "Interim Financial Reporting".

The interim condensed consolidated financial information is presented in Kuwaiti Dinars (KD) which is the functional and reporting currency of the Parent Company.

The interim condensed consolidated financial information does not include all information and disclosures required for complete consolidated financial statements in accordance with International Financial Reporting Standards.

In the management's opinion, all necessary adjustments, including recurring accruals have been included in the interim condensed consolidated financial information for fair presentation. The operating results for the six-month period ended 30 June 2022 are not necessarily indicative of results that may be expected for the year ending 31 December 2022. For further information, refer to the consolidated financial statements issued under IFRSs and its related notes for the year ended 31 December 2021.

**3.2 Summary changes in significant accounting policies**

The accounting policies used in the preparation of these interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2021, the adoption of the amendments and annual improvements to IFRS, relevant to the Group which are effective for annual reporting period starting from 1 January 2022 and which did not result in any material impact on the interim condensed consolidated financial information of the Group.

**4. Fair value MEASUREMENT**

The fair values of financial assets and financial liabilities are determined as follows:

- ▶ Level one: Quoted prices in active markets for identical assets or liabilities.
- ▶ Level two: Quoted prices in an active market for similar instruments. Quoted prices for identical assets or liabilities in market that is not active. Inputs other than quoted prices that are observable for assets and liabilities.
- ▶ Level three: valuation techniques that are not based on observable market data.

The table below gives information about how the fair values of the significant assets are determined:

Financial assets	Fair value as at			Fair value hierarchy	Valuation technique(s) and Key input(s)	Significant unobservable input(s)	Relationship of unobservable inputs to fair value
	30/6/2022	31/12/2021	30/6/2021

17. IMPACT OF COVID-19

The future dynamics of the COVID-19 pandemic remain uncertain due to its evolving nature (new ongoing waves of infection, new restrictions, new variants, vaccination efficacy and rollouts). The full extent of the impact of the crisis in the region and related policy and support measures is still not fully known.

The Group has performed an assessment of COVID-19 implications on the financial results of the Group, in light of the available guidance of IFRS, and incorporated the outcome in interim condensed consolidated financial information and explained the changes related to the critical judgement and estimates for the period ended 30 June 2022.

Further, management is aware that any further disruptions due to the emerging new covid variants could negatively impact the consolidated financial position, performance and cash flows of the Group in the future. Management continues to closely monitor the market trends, its industry reports and cash flows to minimize any negative impact on the Group.
